Notes:

¹⁾ Roaming rates depend on charges between operators all over the world. These rates change daily and are influenced by currency fluctuations. The rates given here are therefor just an indication of charges that can be expected.

²⁾ Times for peak and off-peak rates differ from country to country and between operators. Therefor, as an indication of the charges, the minimum and the maximum rates are given.

³⁾ If no price is given, the service is not offered

^{****)} Call set-up charges for calls received are DKK 0.25 inc. VAT, except for EU roaming

Charges for MMS, where available, are DKK 3.00 inc. VAT
